Galfar Toastmasters Club holds blood donation drive

THE PENINSULA – DOHA

Galfar Toastmasters Club (GTM), in association with Hamad Medical Corporation (HMC) Blood Bank, recently held a blood donation campaign at the HMC blood donor unit. GTM is the Corporate Toastmasters Club of Galfar Al Misnad, a leading engineering and construction company in Qatar.

The main objective of the event was to promote the act of extending an arm to donate precious blood, among its members and the public. The blood donation was spaced over four hours to allow COVID protocols to be strictly maintained during the process.

The senior mana Galfar Al Misnad led t coming forward to do blood, serving as an i to the rest of the er There was a great tur a large number cor their blood to the H Bank. Galfar Al Misna consistently recogn appreciated by HM company's humanit in regularly organis donation drives.

"It was amazing to see our colleagues voluntarily came to participate in this event and donate blood for the noble

Doha Toastmasters Club takes part in tree-planting campaign

The Supervisory Committee of Beautification of Roads and Public Places in Qatar joined hands with the Doha Toastmasters Club to plant trees on a road parallel to Doha Expressway, the Public Works Authority (Ashghal) said in a tweet yesterday.

This came as part of the Qatar Beautification and Our Kids Planting Trees campaign that aims to plant 1mn trees and is implemented by the committee in co-operation with the Ministry of Municipality and Environment.

Doha Toastmasters Club president Akash Hustada said, "We thank the committee for giving us opportunity to participate in this wonderful initiative to plant 1mn trees, which is a great cause towards building Qatar and achieving its vision under the wise leadership of His Highness the Amir."

Rajeshwar Sundaresan, past district director (D116) at Toastmasters International, added: "This campaign will do great service to the future and nurture children to grow into better citizens. We at Toastmasters teach communication and leadership for the future as well, and combining these efforts is important."

The campaign launched in September 2019 aims to afforest various areas while continuing until the end of 2021. According to information from Ashghal, the campaign has so far covered various localities within Doha along with areas under Al Kher and Al Thakhira Municipality. Also, campaigns have been held so far in Al Shebaniya, Al Kayyan, Al Nasr-uniyya and Al Wakra.
