PQD Message

“Dear Leader”,

“Enjoy every step of your journey in Toastmasters. Be courageous to challenge yourselves, be ready to learn from your failures, engage maximum with toastmasters’ educational program and create a fearless environment around you. It is a privilege to be a toastmaster. I am sure these recognitions and awards are motivation for each one of you to come out of your comfort zone to see a better version of yourself. Awards criteria are designed to ensure the individual learning, development and success. This transformational program gives equal opportunity to all members. There are plenty of opportunities for every member, club, club officer, Area and Division Directors to achieve awards if planned and executed well. Have a goal and create action plan to achieve. My Best wishes to all members of District 116”.
